GENERAL BUSINESS:

- On Thursday Div 1 will play a trial game at Willunga. For all players not involved there will be drill and game practice at the Club – please try to be at the Club by 9.30am to help with the setting up.
- Adriana and Pauline went through the cutlery etc, in the kitchen, and put in an order. Some of the items have already arrived at the Club. Other items have to be exchanged as they were not correct.
- The opening day of the MVBC was well attended by the ladies but the number of men present was disappointing.
- Lorna Rowley Shield – names need to be submitted by the 22nd October. The actual playing day is Tuesday, 14th November.
- The Bates Shield is open to men and women who do not play in the Lorna Rowley Shield.
- State Events: Entry for Pairs closes this Saturday (7th Oct.) and to be played at Willunga on Sunday 29th Oct. Entry for Fours closes on 21st Oct. and to be played at Port Elliot on Sunday 12th Nov.
- Following an email Gae received, there was a discussion on having an “open list” at the start of the season, instead of asking players to place their name in a particular division, as this can be quite confusing. All players agreed to this suggestion and this will be procedure in the future.
- It was also suggested that all new players to the Club, whether experienced or not, do need some time to familiarise themselves with the Greens.
- A reminder that Adriana’s Catering Team is on duty next Monday, 9th Oct. and Denise’s Team is on duty next Tuesday, 10th Oct. for the John Talbot 2-day tournament.

NEXT MEETING: Tuesday 31st October at 9.00am., with practice drills and game to follow.
